

FILTERED CONNECTORS

INTEC'S 960 / 970 Series is a line of filtered ARINC 404 and ARINC 600 rack and panel style connectors; for use in commercial and military avionics.

The 960 / 970 Series offers the cost and space efficiency of planar ceramic technology.

The series meets or exceeds applicable requirements for ARINC 404, MIL-C-81659 and ARINC 600, MIL-C-83527.

SERIES 980 covers filtered circular connectors; MIL-C-38999 and MIL-C 26482.
